

G2500P

Adding Flexibility To your Business

- ▶ Building on the great reputation of the 2500 series retail ATM, the G2500P model adds a Motorized Presenter module and high-performance cash dispenser to this already popular and reliable platform.
- ▶ The G2500P comes standard with an 8" high-resolution wide-screen LCD, which can be upgraded to a 10.2" touch-screen. The receipt printer can also be upgraded to a 3" graphics-capable for custom branding or coupons. The integrated topper can also be paired with a selection of energy-efficient LED toppers to add visual impact and attract customers.
